Hidden Lake

The Lake City Skiers are able to provide outstanding accessibility for teams, officials, spectators, exhibitors, and vendors at the show site in beautiful Warsaw, Indiana. There have been major improvements to the show site over the last few years to make it a premier venue for show ski tournaments.

Hidden Lake generally has calm-water conditions throughout the day and is unaffected by wind. Due to being on a 24-acre private lake, the show site is not affected by public boat traffic. It is a spring fed, man-made lake in the ideal shape for show skiing patterns. Some of the other features of the Lake City Skiers show site include:

- Easily accessible from both major routes coming into Warsaw
- Accessible areas for individuals with disabilities
- Bleacher seating to accommodate up to 1,700 spectators with additional lawn chair seating available
- Sufficient shade areas
- Sufficient room for staging and four pre-staging areas. Each pre-staging is approximately 15' X 70'
- Ample parking for team vehicles, boats, equipment trailers, and spectator vehicles. Each team's boat/equipment parking area is approximately 40' X 200'

Show Course

The show course on Hidden Lake, is 300 feet in length from the performance platform to the white flagpole. A sandy beach approximately 10 feet wide (behind the payoff stage) runs the entire length of the show course. The two widest portions of Hidden Lake are at each end of the lake at 600 feet with the narrowest point being 400 feet through the show course.

Water depth at the jump varies from 20-30 feet. The depth of the water just off the end of the performance platform/starting dock varies from 6-20 feet. The depth of the water two feet out from the sandy beach landing area is approximately 2 feet with a continuing gradual slope. The rest the shoreline around the lake has a very steep drop off at about 5-10 feet from shore.

Distance of available usable water space beyond the show course to the west is about 1,000 feet and approximately 1,000 feet to the east.

Docks, Stages, and Jump

The performance platform/starting dock is 20' x 40'. The dock is floating but secured to the sea wall and anchored.

2023 Central Region Show Ski Tournament

July 8-9, 2023

There are three auxiliary docks outside of the show course. The auxiliary dock to the west is back about 250 feet behind the main starting platform and is 8 x 60. The auxiliary dock to the east is about 200 feet out of the course and is also 8 x 50. The third pier is just to the east of main stage and can accommodate a kicker jump. A fourth platform will be anchored with posts on the west end and is 20' x 40'. This can be used in place of a barge.

The payoff stage is 10' x 124'. It can accommodate up to 80 skiers lined up single file across its entire length.

The jump used by the Lake City Skiers is the same jump that will be used for the tournament. It meets all specifications outlined in rule 9.03 of the NSSA rulebook.

Landing Area

The landing area at Hidden Lake is 300 feet long, which is the same length as the show course. There is about 10 feet of sandy beach between the payoff stage and the water. The water depth is about two feet deep two feet out from the beach.

Staging Areas

The staging area and each of the four pre-staging areas will be a minimum of 1,200 square feet. The areas are large enough for each team to spread out their equipment. Equipment trailer parking will be available at the end of each pre-staging area. Changing facilities and toilets will be located near the staging area.

The Lake City Skiers will also provide a first aid kit and backboard for use in the staging area in case of emergencies.

Additional Site Information

- Hidden Lake can hold over 300 vehicles on our site. An additional 1000 vehicles can be parked 200 feet past the east end of the lake
- VIP parking and seating will be available for officials and other dignitaries
- The performance platform, payoff stage, and auxiliary docks on the west and east end are covered with carpeting
- No parking or admission charges will be assessed at any time during the event
- Hidden Lake's grassed parking areas are accessed by gravel roads. They provide easy access for teams, officials, spectators, exhibitors, vendors, and emergency vehicles
- Parking attendants may monitor and manage traffic in and out of the park during the event.
- The Lake City Skiers will secure an adequate number of toilets to be placed at various locations throughout the park
- The show site offers electrical outlets that are available at various locations
- The Lake City Skiers will provide concessions during the tournament. The main concession area will be at the east end of the show course
- The Lake City Skiers will also provide a Beer Garden. It will be open Friday 5-11, Saturday 2-11.
- Lutheran Kosciusko Hospital, MedStat, and Orthostat all only minutes from the show site
- Communication will be maintained with the local authorities

The team will attempt to fit everyone in the show site for this tournament but will have to work together to park efficiently and must keep cars, trucks, and boats out of the camping area and parked in proper locations. Unfortunately, Hidden Lake is not equipped with electric, sewer hookup, dump stations or toilets. There are porta-pots provided.

When you arrive, please contact one of the following people (Jake Wilson, Brian Laursen, or Randy Patrick) for camping and parking guidance. Once you have unloaded, they will show you where you can park your car, a short distance away. Boats are to be parked in the equipment parking areas. Local police will patrol periodically checking equipment parking and site for your safety and protection.
